Choose Performance That Lasts

The Bush Hog® brand means superior performance now and for years to come. It was born more than 60 years ago with the famous Bush Hog® rotary cutters. From the very beginning, Bush Hog® TOUGH features were built into these machines. Many Bush Hog® mowers built 30 years ago are still on the job.

Available Accessories**

- Canopy (not pictured)
  - Our white canopy mounts directly to the roll bar (ROPS tube) to provide shade, comfort and protection from harmful UV rays.
- Grass Mulching Kit
  - Under-deck, bolt-on baffles capture grass clippings so specially designed mulching blades can shred them into a fine, lawn-feeding mulch.
- Working Lights
  - Halogen headlights are easily angled from the operator’s seat and throw plenty of light for after hours mowing.
- Trailer Hitch Kit
  - Easily bolts-on to enable you to tow a utility trailer or other tools and attachments.
- Anti-Scalping Roller
  - Additional anti-scalp protection on discharge side is provided by this easily bolted-on roller. Recommended for use with mulching kit.
- Bar Tires
  - Specially designed for maximum traction on hilly terrain or red clay and mud.
- Power Deck Lift (Not pictured)
  - Electronically raises or lowers the mowing deck to your chosen cutting height. (Available on Professional Series only)

**Accessories differ by model. See dealer for complete details.
Whether you’re a lawn care professional who requires productivity and dependability in your machine, or a homeowner who wants professional results in a fraction of the time, smile. Bush Hog® has the mower to meet your needs!
