

# Professional Series

Everything you need for maximum productivity and comfort year after year

These mowers combine heavy-duty construction and superior performance features with creature comforts designed to enhance the operator's mowing experience.

In a lawn professional's world, this is the bosses' personal machine.

## Choose Performance That Lasts

The Bush Hog® brand means superior performance now and for years to come. It was born more than 60 years ago with the famous Bush Hog® rotary cutters. From the very beginning, Bush Hog® TOUGH features were built into these machines. Many Bush Hog® mowers built 30 years ago are still on the job.

### Available Accessories\*\*

#### Canopy (not pictured)

Our white canopy mounts directly to the roll bar (ROPS tube) to provide shade, comfort and protection from harmful UV rays.

#### Grass Mulching Kit

Under-deck, bolt-on baffles capture grass clippings so specially designed mulching blades can shred them into a fine, lawn-feeding mulch.

#### Working Lights

Halogen headlights are easily angled from the operator's seat and throw plenty of light for after hours mowing.

#### Trailer Hitch Kit

Easily bolts-on to enable you to tow a utility trailer or other tools and attachments.

#### Anti-Scalping Roller

Additional anti-scalp protection on discharge side is provided by this easily bolted-on roller. Recommended for use with mulching kit.

#### Bar Tires

Specially designed for maximum traction on hilly terrain or red clay and mud.

#### Power Deck Lift (Not pictured)

Electronically raises or lowers the mowing deck to your chosen cutting height. (Available on Professional Series only)

\*\*Accessories differ by model. See dealer for complete details.

Anti-Scalping Roller

Trailer Hitch Kit

Working Lights
