

IF IT DOESN'T SAY
BUSH HOG®
IT JUST WON'T CUT IT™

**BUSH HOG® IMPLEMENTS
FOR TRACTORS 40HP & UNDER**

Like all good relationships, Bush Hog® is in it for the long haul. Since 1951, Bush Hog® has been providing products to American farmers and weekend warriors capable of turning your property into a land of opportunity. For those of you who have tractors rated at 40 PTO HP and below, we offer Finishing Mowers, Single Spindle & Multi-Spindle Rotary Cutters, Tillage, Construction, Landscape, Hay Equipment, and Snow Blowers to match the specialized needs of your tractor. With over 70 models to choose from, we have the right implement to help you get your job done.

Bush Hog® is proud of our legacy of creating the highest quality agricultural products in the business, which is why "If it doesn't say Bush Hog®, it just won't cut it."

Check out our website for more details on specific models at bushhog.com
