Returns Policy

GENERAL POLICY

1. Return Materials Authorization (RMA) must be received before the return shipment is made. (bushhogservicecenter.com)
2. To be eligible for a return, parts must be in new and resalable condition and adequately identified with the Bush Hog® part number.
3. All parts must be genuine Bush Hog® parts originally purchased by the dealer as service parts on parts invoices.
4. Prepackaged parts must be returned in unbroken Bush Hog® packages.
5. Return parts are to be shipped prepaid by the dealer.
6. All parts are subject to final acceptance by Bush Hog® before credit is issued. Damaged, unidentifiable, or otherwise rejected or unacceptable parts will be held for 30 days after the dealer has been notified of the rejection. If the dealer requests the rejected parts to be returned, they will be shipped freight collect; otherwise, they will be discarded.
7. Parts which have been superseded or are denoted non-returnable in the parts price list are not eligible for return under surplus or dealer termination.

ORDERED / SHIPPED IN ERROR

1. Within 30 days from the date of shipment submit a request for RMA online at bushhogservicecenter.com.
2. You will receive an email notification that contains an RMA number.
3. From the RMA tab on the website, bushhogservicecenter.com, print the RMA. Shipping instructions will be included in the comments section.
4. Do not make a return shipment without first receiving an RMA number from Bush Hog®! Unauthorized returns will be subject to additional restocking charges.
5. Package only the parts authorized for return.
6. Credit for parts returned as authorized will be issued to the dealer's account at the invoiced price less applicable discounts.

DO NOT PUT ANY ADHESIVE ON RETURNED PARTS!
Any taped parts will be returned at the dealer's expense.

ANNUAL SURPLUS RETURN

Bush Hog® will accept, once each year during the pre-season order period (October 1–December 31), the return of surplus service parts from active Bush Hog® dealers under the following conditions:

1. Submit a request for RMA online, bushhogservicecenter.com.
2. You will receive an email notification that contains the RMA number.
3. From the RMA tab on the website, bushhogservicecenter.com, print the RMA. Shipping instructions will be included in the comments section.
4. The total number of parts to be returned shall not exceed 10% of the past 12 months parts purchases.
5. The extended value (dealer net) for any single part number should be \$10.00 or more to be eligible for return.
6. Parts must be listed in the current parts price list. NO safety shields or any items that are intended as protection for the operator or bystanders and sold as standard equipment will be accepted on surplus returns. The website will notify you of parts not eligible for return.
7. Parts are to be properly identified with the Bush Hog® part number, packed with the packing list copy of the RMA enclosed, and shipped freight prepaid to the address indicated. Do not put any type of adhesive on parts!
8. Maximum package size is not to exceed 61" L x 33.5" W x 25.5" H. 9. Credit will be issued for acceptable parts to the dealer's account at current net prices less a 15% restocking charge by participating in the 2023 Preseason Parts Program. (Note: Non-participants will be charged 20%.)

**DO NOT PUT ANY ADHESIVE ON RETURNED PARTS!
Any taped parts will be returned at the dealer's expense.**

DEALER TERMINATION

In the event that the sales agreement between Bush Hog® and the dealer is terminated, and where applicable by law, The company agrees to repurchase service parts under the following conditions:

1. Within 30 days of the date of termination, the dealer must submit the request of return authorization form showing quantity, part number, description, and value of return at dealer net prices of parts to be considered for repurchase.
2. Upon receipt of the return materials authorization, the dealer is to properly identify the parts with the Bush Hog® part number, carefully pack and ship within 30 days, freight prepaid, to the address shown in the "Return To" block of the authorization.
3. Maximum package size is not to exceed 61" L x 33.5" W x 25.5" H.
4. Unacceptable or unauthorized parts will be held for 30 days after the dealer has been notified of the rejection. If the dealer requests the rejected parts to be returned, they will be shipped freight collect; otherwise, they will be scrapped.
5. Credit for acceptable parts will be issued to the dealer's account at current dealer net prices less a 20% handling charge unless otherwise specified.

**DO NOT PUT ANY ADHESIVE ON RETURNED PARTS!
Any taped parts will be returned at the dealer's expense.**
